

Why Finance

Financing Welbilt foodservice equipment makes sense...

Why Finance

A constantly changing business environment makes managing cash flow both challenging and critical. Technology changes just as fast – presenting both the opportunity and the need to acquire new equipment.

Today's successful business leaders are able to balance cost cutting, preserve business capital and take advantage of adopting new equipment.

Financing with Marlin is the solution. Marlin's flexible financing programs allow your customers to acquire equipment solutions without an up-front cash investment. We offer various financing plans with flexible terms and payment options.

Why Marlin

Marlin is the preferred provider of financial solutions for The Welbilt Company's Foodservice business segment, offering Welbilt's customers the perfect marriage of not only best-in-class products, but best-in-class finance programs.

Our strategic approach and commitment to the market is focused on specific industry needs and requires that we recruit the best talent in the finance industry with expertise in the markets we support. Marlin's team of industry specialists are ready to provide you with the financing products and services you need to meet your business goals and keep you competitive. We thoroughly understand the financial requirements of the specific industries in which we serve and continuously offer leading financial solutions to meet and accommodate your organization's needs.
