

BENEFITS OF FINANCING

for your business and your customers

Offering a financing option for equipment and software is a great alternative for both dealers and customers.

BENEFITS TO DEALERS:

- Recommend what is really needed
- Expedite the sales process
- Flexibility to meet customer budget constraints
- Decrease accounts receivable days
- Increase sales and transaction size

BENEFITS TO CUSTOMERS:

- Afford what is really needed
- Preservation of capital and bank lines
- Fixed monthly payments
- Flexible Options – such as 90 Day Deferral
- Ability to manage cash flow
- 100% Financing
- Simple Approval Process

EASY APPLICATION PROCESS:

- Apply for financing online or over the phone
- Obtain a credit decision in most cases in 2-4 hours
- Upon approval, finance documents are sent to the customer
