

25 MONTH, 15% PROMOTION!*

PEAC Solutions is now offering a short-term flexible payment option for customers to get the equipment they need up and running without a big strain on their wallet.

HERE'S HOW IT WORKS:

1. ADVANCE FINANCE PAYMENT DUE:

PEAC will collect 15% of the equipment cost. This is the customer's down payment.

EXAMPLE: \$21,500 equipment cost = \$\$3,225 This is the customer's down payment

2. CALCULATE THE MONTHLY PAYMENT

Divide the equipment cost by the 24 remaining months. (No interest added to the 24 months)

EXAMPLE: \$21,500 divided by 24 = \$895.83 per month for the remaining 24 months

3. PRESENT THE CUSTOMER'S BUY OUT

Your customer owns the equipment at the end of the term for \$1.00.
